LODGING

An Annex "Accommodation" was enclosed at the end of the Bulletin N°1 and also available on the World Championships website: <http://WC2018.f2cml.org>

Two types of management for hotel accommodation:

1. A list for the hotels you can book by yourself.

2. A list of hotels near in which the organiser already booked 140 rooms. For this service ask the organiser and send your needs. We ask the team managers who want some help to book hotels through our way, to contact Jean Paul PERRET jpperret1@gmail.com. Some team managers contacted him to book rooms in several hotels. So Aster Hotel has no more room, there are 12 rooms remaining in IBIS hotel, and 10 in Hotel du Nord. We reserve "Premiere Classe Hotel" for the people who expected to lodge in the technical school near the stadium.

Lodging in the dormitories of the technological school of Landres (very close to the site) is not possible. We booked "Hotel Première Classe" in Longwy. If necessary transportation from the hotel to the stadium will be organised for the competitors and back (twice a day). That means around 100 people may lodge in this hotel. (19 €/pers/night + 6 € breakfast)

Bed and breakfast, or guest rooms, are also possible, all of them on a radius of 40 km are noticed in a list enclosed in the Annex "Accommodation". If you need help contact the organisation.

To avoid mistake or misunderstanding contact directly JP Perret.

On site, camping will be available for camper vans, cars and tents. There are toilets, showers and electricity supply. Book your place with the "camping reservation form"

INSURANCE

The organizer will provide a limited third-party liability insurance covering all competitors for model accidents involving injury to others and damage to property (1 247 961 € amount of coverage). According to French legislation, this insurance will also cover injury to others and damage to property or people by accidents caused by the organizer or staff members during the championship period.

Individual health coverage as well as travel insurance purchased before arrival in France is recommended.

For EU citizens, health care is covered under Social Health Care on presentation of an EHIC card EU 111 form available in the country of residence.

Citizens from outside of EU should provide their own health insurance to cover illness and travel insurance.
